Wilmore, KY 40390

Memo: BGW Testimonial

As a former college physical plant director, the work of building is familiar. Now in growing a long-standing ministry, Hargett Corporation and Building God's Way have gone far beyond contracting, they have partnered with us. They have generously and patiently supported our vision and embraced our dream. I have never experienced a better combination of energy, skill, motivation and integrity.

Jeffrey W. James
